October 2007

To: County 4H and 4H Agents

Allflex USA Inc. is pleased to supply the State of Ohio with an alternative program for identifying youth livestock projects for the year 2008.

This program is designed to offer county fairs across Ohio a simple and uniform method for acquiring identification tags for their respective events. We appreciate all of the counties that have participated with Allflex products in the past.

The nomination process for cattle and hogs are already underway, and as in the past, Allflex has designed a specific and uniform ID solution for these participants. Each set of tags will be comprised of a Green Tamperproof two-piece tag set with corresponding information on both male and female portions of the tag. The information on the tag will include the ODA county fair code and a four digit management number. The tags utilize the latest marking technology and the use of the Allflex Red Universal Total Tagger. This tagger can be used to apply both Cattle, Sheep/Goat and Hog tags.

To order tags for your county, simply fill out the following form. To enable each county in Ohio to get the best possible price, the order forms must be received by a specified date, which is designated on the following order form. Then the orders will all be placed at the same time to receive the special volume pricing as quoted. Upon completion of the order forms, fax and also mail the hard copy to **PBS Animal Health**, Attention: TAMMY ZIMMERMAN (Fax: 330.830.2762) 2780 Richville Drive SE, Massillon, Ohio 44646. PBS livestock will place the order with Allflex and will bill the appropriate party for your county fair. *Orders will only be accepted by the above procedure. Orders cannot be phoned in.*

We hope that this will continue to be a worthwhile program. Please remember that participation is on a volunteer basis. Because the tags are county- specific and not year specific, you can order as many tags as you might use for one year or two years. If you have any questions about the tags you can contact me at 724.494.6199, or Tammy Zimmerman , PBS Livestock, 330.834.3000 .

Best regards,

David McElhaney
