

## **Bike Challenge**

### **(Optional Event)**

This year we are offering a unique opportunity for campers to bring their bike with them to camp. No training wheels please! This is a privilege and the following rules have been set up to help ensure the safety of all those attending camp.

- **Bicycles will be checked in at registration and will be permitted to be checked out and used only at appointed times.**
- **The owner of the bike is the only person permitted to ride that bicycle. Campers found to be riding a bike other than their own will forfeit all privileges of both parties.**
- **Each camper is required to wear a bicycle helmet and proper clothing (i.e. tennis shoes) at all times while participating in any bike activity. The camp and staff thereof do not assume liability for accidents, injury or loss of property.**
- **Reckless and Destructive behavior associated with the use of a bicycle will not be tolerated! Camp Staff reserves the right to deny privileges regarding bicycle use at any time.**
- **Any time that a bicycle is in use, campers must be accompanied by a camp counselor or staff member.**
- **Campers are required to remain on designated trails at all times!**

I have read, understand, and will follow at the rules stated above. Camp Staff reserves the right to deny privileges regarding bicycle use at any time.
