
Roadmap to Environmental Education in Extension

Edited by:
Diane Cantrell
Tina Milenovic
Joe Heimlich

2003

Acknowledgments

The *Roadmap to Environmental Education in Extension* was a collaborative project involving representatives across all four program areas of OSU Extension. The following core group of agents and specialists guided the development and writing of the project.

EE Roadmap Core Committee Members:

Anne Baird, Extension Agent, Watershed Management, Southwest District

Diane Cantrell, Extension Specialist, Environmental Education, and Adjunct Asst. Professor, School of Natural Resources

Graham Cochran, Extension Agent and Program Director, Adventure Central

Joe Heimlich, Leader, Environmental Science, and Associate Professor, School of Natural Resources

Tina Milenovic, Extension Associate, 4-H Youth Development, Natural Resources and Horticulture

Eric Norland, Extension Specialist and Leader, Natural Resources, School of Natural Resources

Kyle Sharp, Associate Editor, Section of Communications and Technology

Sue Skufca, Extension Agent, 4-H Youth Development and Yard Waste Management, Lake County

The EE Roadmap Core Committee would like to thank the following Extension professionals for their many and varied contributions to the completion of this project.

Statewide Committee

Ella Mae Bard, FCS, Knox County

Anthony Barsch, 4-H, Jefferson County

David Dyke, CD, Lawrence County

Cora French, FCS, Lake County

Gary Graham, NREM, Northeast District

Doris Herringshaw, FCS, Wood County

Pat Holmes, FCS, Preble County

David Marrison, AG/NR, Ashtabula County

Peggy Shear, CD, SW District

Ben Schmit, AG/NR, Paulding County

Sharon Seiling, Extension Specialist, Family Resource Management

Robin Stephenson, AG/NR, Adams County

Layout and Design

Communications and Technology, The Ohio State University
