

This is a mandatory rule.

Sponsors shall require exhibitors at fairs sponsored by county or independent agricultural societies or the Ohio exposition commission to annually attend or complete a quality assurance program sponsored and conducted cooperatively by the exhibition sponsor, Ohio state university extension, Ohio agricultural education, or agricultural commodity organizations. Alternatively, at the discretion of Ohio state university extension, or Ohio agricultural education, an exhibitor may pass a test based on the appropriate skill level for their age (twelve to fourteen or fifteen to eighteen) under the supervision of Ohio state university extension or Ohio agricultural education before exhibiting terminal or partial terminal market livestock, including market poultry, lactating dairy cattle and lactating goats in a junior livestock show. Youth who pass the test will be exempt from annual quality assurance re-certification until they move to the next age bracket or they are no longer a junior exhibitor (nineteen years of age or older on December thirty-first of their last year).
