

## News Reporter Requirements

The News Reporter's scrapbook is to be completed and turned into the Extension Office by September 9, 2005. The following minimum requirements must be met for the book to be eligible for Honor Club points and Outstanding News Reporter:

- \*Copies of news articles submitted for print, with a minimum of five **different** articles submitted.
- \*Complete the News Reporter Worksheet.
- \*Copies of news articles printed.

Books meeting minimum requirements listed above will be evaluated for Outstanding Awards based on the following criteria:

- \*A minimum of 8 **different** articles submitted for print, unless the club does not have 8 events to report. If that is the case, simply state that there were fewer than 8 events to report.
- \*A minimum of 3 different articles submitted to the "Clover Times," those 3 can be counted toward the total of 8 (see above statement).

Each year, two Outstanding Awards are given in the following areas: Secretary, Treasurer, Health, Safety, and News Reporter. If no one qualifies because of failure to meet the requirements, no awards will be given. If more than two qualify, the selection of the best two will be left up to those in charge of judging the books. (In the event that more than two qualify, the following may be considered: How well were the articles written? Was the scrapbook put together in a creative manner? Are there pictures of the club included in the scrapbook?)
