

Lucas County Master Gardener Update

January 29, 2001

Dear Master Gardeners in Lucas County,

I hope that the new year is treating you well! As I look ahead, it is going to be a very busy and exciting year.

Enclosed you will find your copy of "Over the Garden Gate," a newsletter for Master Gardeners in Northwest Ohio. To cover the postage expense for the year, we are asking all of the Master Gardeners to pay an \$8.00 subscription fee (see enclosed form) to receive the 11 issues - January, February, March, April, May, June, July, August, September, October, and November/December. If you would prefer not to receive all issues, you could pick up your preferred issues from our office free of charge.

Please complete and return the form, along with the \$8.00 subscription fee, in the self-addressed postage-paid envelope to the ABE Center. The ABE Center will continue to coordinate the newsletter for the area. A LITTLE PLUG - There is a communications committee that works on the newsletter including pulling the information together, writing the cover letter, proofing, copying and mailing. If you would like to help, please let me know and we can add you to the committee list.

You will also find an enclosure requesting information for a directory and day trippin' guide, both developed by Master Gardeners for Master Gardeners. These are two very popular items, and Master Gardeners request that we keep updating year after year.

If you have any questions or concerns, please don't hesitate to contact me at 243-MOTH (6684) or by email at stonea@postoffice.ag.ohio-state.edu.

Have a great month . . . spring really is just around the corner!
