

Painless Parenting for Early Childhood

Are you interested in time-tested, powerful tools for raising happy, responsible kids? Would you like to learn solutions for common parenting problems you deal with daily?

Plan to attend ***Painless Parenting for Early Childhood***, a three-part workshop focusing on practical parenting for the early childhood years (babies to six year olds.) Using resources developed by Love & Logic parenting experts, Jim Fay and Charles Fay, Ph.D., you will learn techniques for reducing your stress and dealing with:

Bedtime battles
Power struggles
Potty training
Temper tantrums
Whining
Sibling rivalry
Kids who say "no"
and MORE!!

Call for dates and times of future workshops.
